

Acceptable Use Policy Agreement Form 2011-2012 School Year

Internet Use Policy:

Parent or Guardian (if applicant is a student):

Socrates Academy is committed to providing appropriate supervision and guidance in the use of the Internet. Access to the Internet is designed for educational purposes. The Board of Directors and staff of Socrates Academy are not to be held responsible for materials acquired on the network as it is impossible for them to restrict access to all controversial materials. The families have complete responsibility for supervision if and when their children use the Internet in a non-school setting.

Parent or Guardian (if applicant is a student):

_____ I hereby give permission for my child to have access to the Internet at Socrates Academy. I also certify that the information contained on this form is correct.

Or

_____ I **Do Not** give my child permission to use the Internet.
