

# SOCRATES ACADEMY

A North Carolina Public Charter School

Parents,

We are excited to meet many of you tomorrow for physicals in the Socrates gymnasium as well as the chance to meet the coaches for the upcoming fall season. I wanted to take a chance to clarify some of the questions that I have been receiving. The “Pay for Play” fee will only be paid when the student makes his/her respective team. Parents **do not** need to bring a check for \$150.00 tomorrow. The \$25.00 check for physicals tomorrow will be made out to Socrates Academy. We invite all parents and students who are interested in fall sports to come in and meet our coaches even if your child is not receiving a physical. We still have open sign up spots if your child needs a physical. Below is a schedule for the next two weeks for athletic practices and tryouts. Students interested in fall sports should be at practices/tryouts no later than 8/15. Students must also have physicals performed by this date. If your child cannot make tryouts on 8/15 please contact the coach for that sport. We can’t wait to begin athletics at Socrates Academy!
